

Paducah Removed 2013 to 2020

A map of central Paducah showing where lidar points have decreased in elevation, emphasizing where material has been removed. This mostly comprises removed trees and some buildings

0 0.25 0.5 1 Miles

Paducah Filled 2013 to 2020

A map of central Paducah showing where lidar points have increased in elevation, emphasizing where material has been added. This is mostly tree growth in the surrounding forested areas.
